## DATA PROTECTION & PRIVACY POLICY

At Oil Technics (Holdings) Ltd. we understand how important our user's privacy and personal information is and we wish to protect our user's privacy and ensure our Privacy Policy conforms to your statutory rights under the Data Protection Act 1998 in the UK. Our Registration Number is: Z8649768.

By accessing this Oil Technics (Holdings) Ltd. website at [www.oiltechnics.com](http://www.oiltechnics.com), [www.biotechnics.co.uk](http://www.biotechnics.co.uk), [www.endurocide.com](http://www.endurocide.com), [www.foamtesting.com](http://www.foamtesting.com) or any other associated domains and all related pages, you are accepting the practices outlined in this Policy.

It is important to safeguard and protect our user's privacy whilst also providing a dedicated and worthwhile service. The collection of personal information throughout Oil Technics (Holdings) Ltd. is used to help satisfy the expectations and requirements of our users, for example as part of a job application.

In addition to the information we collect from voluntary questionnaires and requests for information, other information is automatically retrieved. An example of this is the browsing patterns of users on this website. This type of information is used only in aggregate form; no individual is identified. This type of aggregate data allows Oil Technics (Holdings) Ltd. to better manage our relationships with our users and advertisers with the aim of providing a more targeted and dedicated service.

During the course of a visit to an Oil Technics (Holdings) Ltd website the pages you see, along with a short text file (called a 'cookie'), are downloaded to your computer.

We use session cookies during your visit. This allows the server to identify a user during a session enabling information like products in a shopping basket to be remembered from page to page. This information is stored on the server for the duration of the session only. Only the session ID is stored temporarily on the user's computer. We do not use persistent cookies which means that the site will not remember who users are when they visit again later

We do not associate the information stored in a user's cookie with any other personal data about that user.

Contact details, including email and mailing addresses supplied to Oil Technics (Holdings) Ltd. allow us to keep in contact with our users and keep them informed of important developments and updates to our product range and/or website. Each time you receive a message or mail shot, you always have the option to decline to receive further marketing information relating to the activities of Oil Technics (Holdings) Ltd.

Oil Technics (Holdings) Ltd. guarantees that we will not pass on your email address or contact details to any other person or organisation (other than Oil Technics (Holdings) Ltd affiliates, such as its subsidiary companies) without your express approval.

Submissions made to our website are not in confidence.

You are entitled to receive information and to amend, block and delete your stored data. If you feel that any personal information about you that has been collected and stored by Oil Technics (Holdings) Ltd. might be wrong, or you would like for us to remove you from our systems, please contact us at [info@oiltechnics.com](mailto:info@oiltechnics.com) so that we may correct or delete the information.
