

Lemsolv

Precision Cleaning Citrus based Solvent

A solvent based precision cleaner that removes heavy oil and grease from electrical motors and precision components. Dries film free

KEY PROPERTIES

A reasonably fast drying solvent which dries residue free. Lemsolv has a high flash point of 57 C, low hazard profile and excellent solvency (60 kV). Lemsolv is an excellent general purpose degreaser and bench top cleaning solvent.

- Residue Free
- Critical Cleaner
- High Solvency

APPROVALS

- German UBA (3406-0011) - Environmentally acceptable chemical

APPLICATION

Excellent for cleaning precision metal components and most solvent resistant plastics. (Test on susceptible plastics and soft sealants before use). Can be used as supplied in dip tanks, spray machines, ultrasonic baths or for bench top cleaning. Also available in wipe format for bench top use.

TECHNICAL DATA

Appearance	Pale yellow liquid
SG	0.82
Flash Point	57 C
VOC Content	100% (>30% is a natural product)

PACKAGING

1000L, 200L, 25L, 4x5L containers, 12x0.5L Trigger Sprays

Also available as:

Wipes tins of 250 wipes (200 x 200mm)

Aerosols 12 x 400ml cans.

SAFE HANDLING AND STORAGE

Store in original containers and avoid extremes of temperature. For guidance on handling and disposal see Material Safety Data Sheet.
